## Championship Race Notes:

A team consists of four racers.

- 1) The Race consists of two timed runs per individual.
- 2) The three fastest individuals times are added together to give a composite Team time per run
- 3) The composite times from both runs will be added together to give a final Team time.
- 4) Times will be recorded for all completed runs.
- 5) Times considered may be from a different combination of racers for each run.
- 6) Teams with three racers will be at a disadvantage as all racers will be required to record a time.
- 7) Any request for a re-run must be made to the Race Referee by "Skiing out" or making a request including the reason to the Finish Referee at the time.
- 8) Requests for a re-run after leaving the Finish Area cannot be considered.
- 9) The Race Referees decision is final.
- 10) In the event of a Racers time not being generated, through a timing fault or error, a re-run will be given.
- 11) Individuals must record a time on both runs to be considered for an Individual Award.

12) Individual times will be calculated by adding together the times recorded for both runs

13) Trophies / Medals will be awarded to the fastest three qualifying teams in each category, and to the three fastest individual Girls and three fastest individual Boys.
